

Dear Plot Owner

Re: Ownership of land at Woolley Green and the formation of a Committee known as 'Woolley Green Plot Owners Association'.

A group of us have joined together to form an Association consisting of people who share a common interest in that we all own plot/s of land at Woolley Green. We will be formally known as 'Woolley Green Plot Owners Association'.

The purpose of the Association would be to provide guidance to its members/ each other on the ownership of land at Woolley Green. We have been advised that the land has been classified as Green Belt land. Amongst other things, it is our intention to:

- 1) Understand the full implications of this classification
- 2) Understand the requirements and process for obtaining planning permission
- 3) To work collectively so that we can share ideas, experiences, concerns – and plan a future with our land.

Whilst I appreciate that each of us may have very different intentions in terms of what we would like to do with our individual plot of land, there is a commonality in that this is our investment and we want the best return possible. This is also probably a very new experience for many of us. We would therefore like to welcome you to come and join our group and work together with us in making a better future for Woolley Green.

Remember – this is your future, it is also your land in a beautiful location. We look forward to hearing from you.

The contact details for the committee members are:

Chairperson: Mrs Margita Rudzate - mrudzate@erconstructions.co.uk

Secretary: Mr Tarok Bhogal - t.bhogal@sky.com

Treasurer: Mrs Sonia Edwards - sonia_edwards@hotmail.co.uk

Council Liaison Officer: Mr Philip Hatch - hatchphilip@yahoo.com

Communications Coordinator: Miss Sharon Martin - Sharon.martin@bt.com

Please direct all responses to Sharon Martin (Comms Coordinator).

Yours truly

Woolley Green Plot Owners Association
